***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: the examiner has considered applicants' amendment filed December 20, 2004, and the remarks/arguments therein. Applicants' amendments to the claims are sufficient to obviate the rejections of record. As now amended, the claims are drawn to compounds that are neither taught nor suggested by the closest prior art of record, a process for making said compounds, and to methods of treating certain disorders or conditions using said compounds. Accordingly, the instant claims are now allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sikarl A. Witherspoon whose telephone number is 571-272-0649. The examiner can normally be reached on M-F 8:30-6:30.
